A \$1000 deposit is required to reserve a berth on an Odyssey Expeditions Corp. (hereafter referred to in these terms as 'Odyssey') voyage. The full tuition balance is due April 1st. If enrolling after April 1st, full tuition is due at time of enrolment. Upon our receipt of your application and deposit we will contact you to confirm your reservation and will send a registration packet that contains a welcome letter and information as well as forms that must be completed and signed by participant and participants parent/s or legal guardian/s (hereafter referred to collectively as 'parent/s') and returned to Odyssey. These forms include a medical questionnaire, and an Acknowledgment and Assumption of Risk and Release for voyage participation in sailing, scuba training, and diving. They outline the risks associated with voyage activities and your responsibilities. Upon review of accepted and returned forms, Odyssey shall offer final acceptance into a voyage. Participant and parent/s acknowledge that it is their responsibility to work with their physician to decide whether Odyssey voyages and activities are appropriate for the participant. Exercise induced asthma and other physical limitations are a contra-indication to scuba diving.

Tuition

Odyssey voyage tuition covers all program expenses including educational programs in biology, PADI scuba training and certifications, use of scuba and program equipment, watersports, food and berth aboard the yacht, diving, and scheduled shore excursions. Airfare, optional meals/personal purchases/tours ashore, exceptional or unusual transfers, personal scuba training books, academic credit, phone calls, and medical expenses are not included. Any academic credit must be arranged separately with the accrediting institution. Failure to ensure Odyssey's receipt of full tuition payment by April 8th may subject the berth to forfeiture. After February 1st, deposit and tuition is non-refundable and non-transferable, no tuition refunds shall be made in the event of your cancellation, non-arrival, or dismissal for any reason. Due to the group dynamic nature of the programs, any participant unable to arrive within 48 hours of noon on the first day of a voyage shall be considered a cancellation and will not be permitted on the voyage.

Early Return

Participant and parent/s acknowledge that if the participant must return home for any reason including medical or family reasons, personal emergency, dismissal or other reasons not stated, participant and parent/s shall be solely responsible for all costs associated with early departure including evacuation, plane, taxi, or boat fares, accommodations and meals, and compensation for any staff that will accompany participant. Participant and parent/s understand that staff accompaniment for early return may not be possible for any part of their return itinerary and the return airports may differ.

Insurance

All participants are required to carry dive accident insurance, such as that offered by Divers Alert network. We recommend the purchase of Travel Insurance to protect your tuition investment and will provide registration forms for recommended insurance. Parent/s understand that they are responsible for the full costs of any medical care or evacuations, even any costs not covered by insurance. Also participant and parent/s are responsible for Odyssey equipment and property participant uses while on the voyage and will be required to reimburse Odyssey for any willful or accidental destruction or loss of said equipment.

Medical Treatment Release

Voyage participant and his or her parent/s authorize Odyssey staff, directors, representatives, contractors or other medical personnel to arrange for any necessary medical treatment for participant, including hospitalization, injections, anesthesia, X-ray, blood transfusions or laboratory work, medications, or surgery. Participant and parent/s agree that Odyssey has no responsibility for medical care provided to the participant, and participant and parent/s shall be fully responsible for the costs associated with all medical treatments or emergency services performed. Participant and parent/s understand that the medical facilities and physicians may be located in countries with varying standards of care which may be primitive, inadequate, or insufficient.

Participant Understanding

Odyssey's voyages are a multi-faceted educational experience with emphasis on sailing, scuba diving, and marine science as well as teamwork and leadership development. Participants must expect to be part of the crew upon arrival, and fully participate in all aspects of running the yacht, ready to share in the work of dive preparation, science activities, sailing, cleaning, and meal preparation. Crew rotate onboard job positions daily, contributing positively to the group experience. Evenings are largely devoted to program activities aboard. Participants are expected to be positive, motivated, and physically and mentally willing to fully participate in voyage activities and responsibilities. The program tone is that of non-competitive group support. Programs are geared for both teens and college students. Yacht and berth assignments are based on age. Odyssey operates multiple yachts on each voyage and groups students such that each yacht has a similar age range. Three to four students of the same-sex are assigned to each cabin, and sleeping accommodations include weatherproof hammocks and sleeping bags for sleeping on deck. Participants must understand that the cleanliness of their cabins is their responsibility and that they will have specific duties to perform aboard the vessel including sailing, cooking, and cleaning. Voyages do not include maid or chef service. Participants and staff share the responsibilities aboard and work together with mutual respect and courtesy.

The yachts are 'Dry' and 'Zero-Tolerance' is strictly enforced. Participant is required to maintain an atmosphere of respect with the other participants and staff and to keep their living environment healthy and enjoyable for all. Participant hereby agrees to abide by all the rules and regulations of Odyssey. Odyssey reserves the right to dismiss any participant from the program that the staff believe to be a safety concern, medical risk, is disruptive, or behaves in a manner they consider to be detrimental to the program. Examples of behaviors that may be considered disruptive include the use or possession of illegal drugs, tobacco or alcohol, sexual activity, excessive homesickness, and theft. Participant and parent/s understand that no refund of deposit or tuition will be made upon withdrawal from the program for any reason.

The particular itinerary, equipment, staff, activities, and destinations may be changed at any time by an Odyssey program director in the best interest of the program, and no notice of any changes nor obligation to any party shall be made in the event of any such changes.
